Breakfast With a View!

First time buyers or seasoned home owners...

Your new home awaits!

Picturesque scenery and stunning natural beauty perfectly describe this lovely property in an extremely desirable location. Anyone passionate about the great outdoors would be thrilled to get their hands on this natural paradise tucked away off of Stuart Line.

The oversized lot provides plenty of privacy, with 2 storage sheds and a blank canvas to make all your dreams come true. The house itself is loaded with potential, featuring 3 bedrooms, 2 bathrooms, a finished basement, and a walkout that backs right onto a grassy field. You will find new floors throughout, with heated floors in the new main bathroom, which will keep your toes warm and toasty on those frosty mornings!

A brand new covered front porch is the perfect place for outdoor meals or to catch up with loved ones over coffee. All this, and we haven't even mentioned the spectacular view you'll enjoy from the kitchen patio doors. Who wouldn't love gazing over this beautiful yard from their very own balcony? Be sure to keep your eyes open for the wildlife you may spot exploring and scurrying about.

With so many stunning features, it's hard to decide what we love best of all. This is the perfect place for families or anyone who values privacy and loves nature to call home.
