They say opportunity only knocks once!

A beautifully maintained century home.

Here's the rare chance to get into one of Peterborough's most coveted neighbourhoods. The architectural detail of this stunning century-old home takes you on a journey to another era, all while you enjoy the perks and benefits of modern life in the city.

Local restaurants are conveniently located within walking distance. With the gorgeous foliage and meticulously-designed heritage homes along the safe and quiet streets, you will feel inspired to get out and explore everything this desirable community has to offer.

A full bath and 3 spacious bedrooms adorn the second floor, and the primary room has a walkout balcony. It's the best seat in the house for all those sunrises and sunsets you will enjoy in your new home. And what better start to the morning than sipping a hot coffee while gazing out over the tree-lined streets below?

The main floor features a kitchen with a separate dining room and living room, along with a two-piece powder room. Updated electrical, plumbing, and a recently resingled roof provide peace of mind that the home has been lovingly maintained. This home has everything you need to move in today, and the oversized 7 ft lot means loads of potential for future development. Perhaps you can add that decadent inground pool or cozy sunroom you have always dreamed of. The sky is the limit at 526 Hunter St W!
